Welcome to the 45th season of Atlanta Colt youth football!

Since 1965, our football and cheerleading programs have given thousands of kids the opportunity to have fun while also learning self-esteem, discipline, sportsmanship and teamwork skills necessary to be successful in sports and in life. The ACYA has built a rich tradition of success as evidenced by 121 league/ bowl championships and 9 National Championships. Our goal is to continue delivering Atlanta's finest youth football and cheerleading experience to more than 800 kids and their families. Achieving that goal is made possible by the generosity of donors and the dedication of over 100 volunteers.

Today, our Board of Directors would like you to consider joining our Atlanta Colt Touchdown Club as a donor supporting our programs for the 2011 season. Your gift will help provide scholarships to kids who cannot afford our registration fees and make capital improvements to our facilities. Please review donor levels and associated recognition benefits. We thank you in advance for your consideration of any level of support. The ACYA is a 501(c) 3 non-profit organization. All donations are tax-deductible.

It is a privilege to work with so many great kids and their families in our program. We have a lot of fun and look forward to another great season. We invite you to join us for one of more than 150 games this fall at our park. While there is no cost for admission, the fun and inspiration from our kids is priceless!

GO COLTS!
